

ACTIVITY SHEET

Let's brainstorm some exciting ideas!

STEP 1

1

Think about what kind of play is exciting for you.

Let's dig into why you like this kind of play and what makes it so fun.

STEP 2

2

Think up lots of ideas for play equipment born out of excitement!

Ideas do not have to be feasible. Feel free to come up with ideas from out-of-the-box play equipment that cannot be realized in this real world!

Let's make a list of senses and ideas that you want the play to focus on.

Let's turn excitement into ideas!

STEP 3

3

Choose your most exciting play equipment idea and express it through pictures and words.

Make notes about how to play with your play equipment, what happens when you do certain things, and any key elements that are important for the design of your play equipment.

Use your imagination and draw and/or write down details such as materials, colors, etc.

STEP 4

4

Name your dream play equipment.

Come up with a fantastic name for it!

STEP 5

5

Put into words your thoughts about your idea - why did you choose it? and what feelings did you put into it?

Feel free to use your own words!
